Dear Simon Parker,

Congratulations! You have made it through our tough screening process, and your song, "Party Time", has been accepted into our catalog for pitching to our clients in the film, television and advertising industries.

Attached is a letter that explains the terms of our agreement. Also attached is the AGREEMENT for you to print 2 FULL COPIES (do not send just one; do not send just the signature pages), write in your Social Security or Fed Id # (all writers MUST supply) if it does not appear on the last page, sign both (be sure to have your co-writers sign both copies too) and return to the following address:

[Redacted address information]

Along with the AGREEMENT, please send an AUDIO CD of the following:

1. The full version of your song, listed in Exhibit A, as you submitted it.
2. An instrumental version of your song i.e. the full version without the vocal track
3. If your song contains explicit lyrics, you must send a clean version with the curse words "dropped out", also known as a radio edit.

IF YOU DIDN'T INCLUDE YOUR LYRICS in the online song submission, please email us the lyrics including english translations for foreign language songs to [Redacted]. We will NOT accept paper printouts.

As soon as we receive all of your materials, we will execute the contract and return a copy to you. And your music will be added to our website and [Redacted]. We look forward to pitching your music and securing placements for you!

If you have any questions, please email us at [Redacted]

Thanks
